Married to Glenn for 11 years
4 Children – Megan, Katie, Ryan & Matthew

“Born in Atlantic City I grew up in Ventnor and remain there presently. My memories growing up involve numerous outdoor activities from fishing and swimming to baseball and basketball. I loved being outside. To this day, with my own children, you can always find me at the beach, at a playground or at a ball field. I love my community and I hope that being a teacher I can help future generations of children share my pride of this great area.”

From Superintendent Carmine Bonanni

Margie is a positive force for her students and an excellent role model for staff. She is a consummate professional and most deserving to wear the mantle -- “Teacher – of – the – Year”

From Mr. Rob Baker, Middle School Principal

“Margie shows that teaching is beyond just pen and paper. She connects students to learning through love and understanding.”

From Mrs. Jolie Trabin, Supervisor of Special Services

”Margie Master is a great role model for her students. She works hard to get all students involved in different activities to make them more well rounded. Margie cares about her students and always is an advocate for them.”
